now rank. This has been a great race so far as the three leading teams are concerned. The Baltimores and New Yorks will now play a series of games for the Temple Cup, and thereby rake in many more dollars from their admirers. The Temple Cup is a trophy offered by W. C. Temple, of Pittsburg, to be competed for annually, at the end of each season, by the clubs finishing first and second. A series of games—the number to be mutually agreed upon by the contending clubs—must be played, the net receipts to be divided among the players of the two clubs. This will be the first time the cup has been competed for. The cup is of cilver and of handsome design, and well worth tattling for. The record of the race up to Sept. 24, inclusive, is appended:

The fact should be borne in mind hat the players of the winning team will get ixty-five per cent. and the losers only thirty-live per cent. of the net receipts, and, as these receipts are lighted to a parch to the start to the second of the start to the second of the start to the second of the

My heart troubled me, frequently compelling me to stop work, and my blood was impure causing pimples on my face. After taking Hood's Sarsaparilla I began to get better immediately, and now I feel like a new man.

My blood has been purified and now my skin is clear and my complexion fair." HENRY W. D.TWILER, Pennsylvania.
